## WICK AIRPORT DANGEROUS GOODS BY AIR

Our Senior Training Instructor Davie Drysdale was recently up in sunny Wick delivering Dangerous Goods by Air Training to Far North Aviation Limited at Wick Airport.

We love to travel to our clients' own sites to deliver training and there are many reasons that this can be the most time and cost effective way for our clients to train their teams.

To find out more regarding our Dangerous Goods training please click [HERE](#), where you can also send an enquiry to our lovely team.

Please visit our website at [www.aquaterratraining.co.uk](http://www.aquaterratraining.co.uk) for all your training requirements or contact the team on: **+44 (0) 1224 392626** or [bookings@aquaterra.co.uk](mailto:bookings@aquaterra.co.uk)

## FROM CLINIC TO CLASSROOM

Lesley's journey from the NHS frontline to training people for work in the most extreme environments.

This years International Women's Day we discovered the story of AquaTerra Training's Training Manager Lesley Robinson, following her journey from the NHS frontline to training people for work in the most extreme environments.

Read Lesley's story in full by clicking [HERE](#) to view our website.

## AQUATERRA ARE NOW FULLY CITB APPROVED

We are pleased to announce that AquaTerra Training are now fully CITB approved!

CITB is the industry training board for the construction sector in Scotland, England and Wales and the organisation's approval status has been developed to support the UK construction industry through provision of high-quality training that employers can rely on based on standardisation and quality assurance.
