HAZLEHEAD ACADEMY VISIT AQUATERRA

AquaTerra Training were delighted to host working at height and confined space training scenarios at our facility in Kintore in Aberdeenshire earlier this month for 17 pupils from local secondary school, Hazlehead Academy.

The pupils visited our training centre in partnership with Developing Young Workforce North East who's mission is to be the vital link for businesses and schools to engage, inspire and develop the young workforce of the North East of Scotland.

DID OUR AQUADOGS FOOL YOU THIS APRIL?

AquaTerra Training dropped the news earlier this month that we would be starting two new brand new training services:

Working at Height and Confined Space, Entry & Rescue...

.....for Dogs!

Sadly these beautiful boys;
Gunner and Goose were
just accomplices in our
2022 April Fool's Day post.

They can luckily still be
seen regularly at AquaTerra
but they are only here
to beg for gravy bones!
